

PET POLICY

When walking outdoors, pets must be kept on a leash at all times.

Pets must be walked off the property.

Pets must be “picked up after” and waste disposed of in a trash receptacle.

Pets will not be allowed to urinate on grassy areas within the property. We are finding “burned” circles on our grass. If this continues we will have to stop allowing pets on the premises.

Pets cannot be left alone inside the unit unless kenneled.

Pets are not to be allowed on furniture or beds. Extra cleaning charges (\$50 minimum) will apply if this rule is broken.

If a dog disturbs another guest with prolonged barking, you may be asked to forfeit the remainder of your reservation. No refunds or credits will apply to unused nights.

Guests are responsible for the cost of any damage to the rental property that may be caused by their pet.

The management takes no responsibility for any pet related incidents. Pet owners are solely responsible in the event that their pet should cause any bodily harm to another person or for any damage to another person's property.

I have read and understand the above policy. (I may ask for a copy to take with me.)
